Acting for Screen

NEW!

Welcome to MN Awards – The Heart of Film & TV Education

We started MN group at a time when teaching screen acting to a ten-year-old was virtually unheard of. Over the past decade, we've been on the ground, visiting schools, running workshops, and honing the craft of teaching the art of screen acting. It's been quite the adventure!

We're a small team with big ideas. Together, we've poured our hearts into creating a curriculum that's inclusive, intriguing, and downright different from any other performance-based award out there.
