THURSDAYS & FRIDAYS

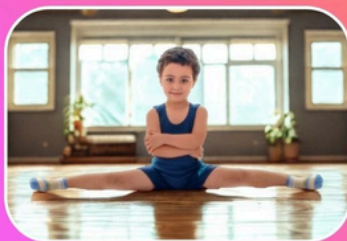

**All year groups...
now including Nursery!**

Acro is an ideal foundation for building physical confidence in the early years.

Featuring gymnastic floor: bridges, cartwheels, handstands, and walkovers, combined with targeted stretching, strength training and conditioning.

Through Acro, children develop essential gross motor skills while building core strength, flexibility, coordination, and proprioception.

IN MARTIAL ARTS

NEWLAND HOUSE SCHOOL | YEARS 1 + 2

Afterschool Code Club

In our first term get ready for **MINECRAFT CHALLENGES!** Go beyond just playing and learn to control the Minecraft universe! Using the Java Edition, children will develop real computing and problem-solving skills by typing actual code. They'll master powerful chat commands to instantly change the weather, fast-forward time, and even teleport across the map. Whether they are total newbies or seasoned experts, they will build, craft, and code together in a fun, completely safe environment. In the second term, it's **MINECRAFT EDUCATION!** Don't just play Minecraft - code it! Step into the world of Minecraft Education and learn to program your very own digital agent sidekick. Using intuitive visual code, children will develop key computing skills as they command their agent to conquer awesome quests. They'll code epic dance routines, build massive structures, launch a volley of arrows, and even unleash explosive TNT! It's the ultimate way to combine creativity and coding in a fun, collaborative, and completely safe environment.

**"You can't use up creativity.
The more you use, the more you have"**
